School profile 2021

School history and community

APDE Entrevalles School is a private, nonprofit, bilingual, girls only, day school located in Guatemala City. Founded in 1997, the school has grown to over 400 students and graduated its first senior class in 2007. Our students are people of integrity who:

- Have received a well-rounded academic experience
- Have formed a Catholic identity and values
- Are ready to go out and serve their families, communities and society

Entrevalles is proud of its ability to provide an exceptionally rigorous academic program that is also inclusive to students with special learning needs.

Student enrollment and demographics

Students are almost exclusively Guatemalan nationals, with some guest students from other Latin American countries. The school maintains two classes per grade.

Testing Restrictions on international students:

In recent years our students have had less access to SAT/SAT Subject and ACT tests because of fewer test dates abroad, fewer sites offering the test, technology difficulties and higher fees. We ask that all higher education institutions take this into account when evaluating our students' applications.

► Graduation requirements and curriculum

- Students follow a common core, university preparatory bilingual curriculum as mandated by the Guatemalan Ministry of Education.
- 9th & 10th grade students take an average of 13 courses per year.
- 11th & 12th grade students complete the two-year International- Baccalaureate Programme, in addition to local requirements.
- Each full-year academic course passed earns 1 credit. IB courses in grades 11th & 12th are weighted with an additional 0.5 credit.
- Spanish is the main language of instruction, 80% of the academic courses are taught in Spanish.
- Science and English grammar and literature courses are taught in English.
